The House resolved to implement Four Year UG Programme and Five year Integrated Programme in Kannur University w.e.f. the Academic year 2024-25.

REGISTRAR

2. To consider the Draft Regulations for the above Programmes.

The Vice-Chancellor invited wide discussions on the draft regulations for the two programmes, already circulated among the members and requested to propose suggestions and recommendations, if any.

The Vice-Chancellor suggested mandatory clustering of colleges for offering maximum number of courses.

The House suggested that along with maintaining uniformity in the regulations of various State Universities, Kannur University should formulate our own regulation considering our special scenario.

The Chair opined that the members should voluntarily contribute their suggestions to finalise the Regulation of both programmes. The House resolved to entrust the Vice-Chancellor to constitute a committee to verify both Regulations. This Committee is to send its recommendations to the Core Committee, FYUGP.

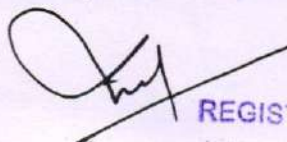

Also resolved that teachers from Affiliated Colleges and from University Teaching Departments are free to offer their written suggestions/amendments with specific reference to Draft Regulations (FYIMP/FYUGP).

After detailed discussion the House resolved to approve the draft Regulation of FYUGP and FYIMP in principle and entrusted the Vice-Chancellor to bring further modifications, if any.

3. To consider the request of Levin E.P., 2011-15 batch B.Tech student for granting consolidated and provisional certificate in the light of Judgement in writ petition 41340 of 2022.
